### Children's Sunday School Lesson November 6, 2011

In Sunday School today, the children will learn the account of the Passover, Exodus 11-12. This true story, about the night when the angel of death passed over the homes of God's people who had painted their doors with the blood of a lamb, foreshadows Christ, God's Son, who became the Lamb whose blood was shed for us. Jesus is our Passover Lamb, and thus we will never die—we have the gift of eternal life. Ask your children who gives us the faith to believe that Jesus is our Savior.
