**Children's Sunday School Lesson
October 9, 2011**

Today in Sunday School, the children will complete their study of how God used and worked in Joseph's life. In Genesis 42-45 and 51:15-21, Joseph reveals himself to his brothers and forgives them, telling them that though they meant evil, God used their acts for good. Our Lord Jesus Christ reveals Himself to us and forgives us in His holy Word and Sacraments. Families should review and discuss how God was with Joseph, blessing him through all that happened, the good and the bad. Talk about how God has turned bad or evil things in your life or world into blessings for your good.

COMING AGAIN, to a church near you: Samaritan's Purse filled Christmas boxes for children, around the world. Deadline for delivery, back to Immanuel: November 13th - 20th. More information to follow...
